Reading Bag

Your child will be allowed to choose a book to take home, and the books will be exchanged when your child returns the reading bag. We will be asking you to write comments after reading with your child. Also the Reception class will have a "Sound and letter" book to take home.

Theme

Our theme this term is based on a book called "Whatever Next" by Jill Murphy.

Activities will be based on the story and will include :

- Writing their own story about a similar adventure
- Looking at a healthy diet
- Learning about number bonds
- Developing understanding of time — day and night and the seasons
- Learning about owls and other birds
- Learning about how to be a good friend
- Creative activities such as painting, creating a musical storyboard and dance activities.

Physical Education/ Swimming

Our Physical Education lessons are twice a week :
Monday — Swimming lesson. Your child will need a swimming costume and a towel
Tuesday — Outside. Your child will need suitable clothing and shoes.

Activities

All classroom activities and the outside area will develop learning skills based on the theme, for example in the writing area children will be able to create puppets of the characters and write stories about them. In the sand they will be looking for small teddies and arranging them in sets to create number bonds to 10.
