This theme will enable us to locate and understand local habitats. We will also be looking at the work of the artist David Hockney as well as the history of the translation of the Bible into Welsh.

HOMEWORK

Homework is given on a Friday and is expected to be returned on the following Monday. When homework is not given, children are expected to either, research the current theme, practise their times tables or improve their reading.

CELEBRATING 150 YEARS OF PATAGONIA!

We are delighted to have been invited by Ysgol Pentreuchaf to take part in the 150th birthday celebration of the first Welsh settlement in Patagonia. Mr. Dylan Roberts will be presenting a slide show about his recent visit to Patagonia. The poet Guto Dafydd will also be helping us to write a song for the occasion. Glyn Roberts has been invited to help us compose music to our lyrics. The children will get to record their song in a music studio, the song will then be included on a CD produced to celebrate this occasion.

READING RECORD

To support the development of your child, it is advised that you read daily for between 5-10 minutes. The children will bring their Reading Record home on a Friday and return it on the following Monday.

We will be visiting Portmeirion so that we can undertake some fieldwork and research the theme. There will be many Urdd activities such as, cross-country running and athletics during the term. There will also be many more running competitions during the term - see notice board. They will be participating in activities within the catchment area. We also look forward to our annual Sports Week when our sports day will be held.
