Home Work

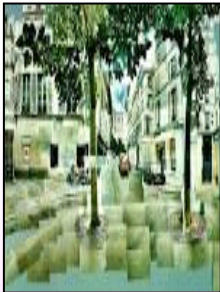

Homework is given on a Friday and is expected to be returned on the following Monday. When homework is not given children are expected to either, research the current theme, practice their times tables or improve their reading.

This term our work in the core subjects will include:

Language: Study books including 'Ynys Hud' by Mererid Hopwood, 'Pentrefi Hud' by Sian Lewis, and 'Portmeirion Children ABC' by Sarah Nechamkin.

Science: We will be studying local habitats and researching the habitat of the woodlice.

There will be opportunities to locate and understand places, in addition to map work. In Art we will study the technique of the artist David Hockney, and include our experiences in Portmeirion.

Reading Record

To support your child's reading development it is advised that you read with your child for 5-10 minutes daily.

Children will bring their Reading Record home on a Friday and return it to school every Monday.

School Trips/ Activities

We will be visiting Portmeirion in order to carry out fieldwork and investigate our theme. Urdd activities will include cross-country running and athletics. There will be various running competitions – please see the school's notice board for information. During the term there will be catchment area sporting activities, as well as our annual Sports Day, held during Sports Week.

Dyfalbarhau

Rwy'n siwr y byddwch yn cytuno,
Mae'n wir beth mae pobl yn
ddweud,
Mwyaf yn y byd y gwnewch chi
ymarfer,
Gorau yn y byd y byddwch chi'n
gwneud!

Physical Education

During Physical Education lessons this term, children in Year 3 will be cross-country running, developing athletic skills and orienteering.

We kindly ask the children to bring their P.E kit to school every Monday for the week.
